Oldenburg Bakrevisie

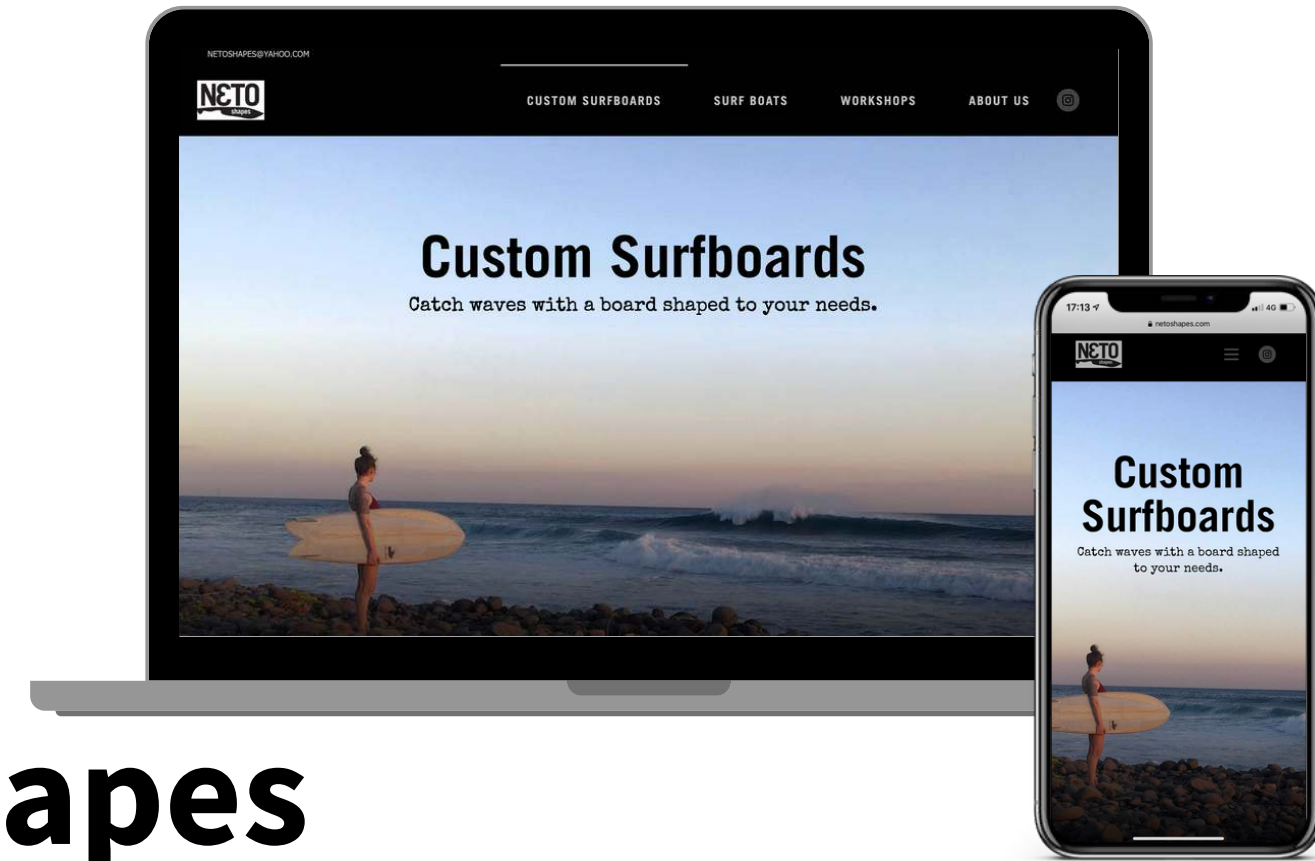

GEAR BOX REPAIR & CAR MECHANIC

After Oldenburg Bakrevisie took a big hit because of a Google Core Update, they reached out to me to see if I could help to get more organic traffic. Much more organic traffic, since they wished to stop spending money on Google Ads.

I have designed the new website for Oldenburg Bakrevisie and launched it in December. Per month I write 2 or 3 blog posts, focused on their main keywords.

My Hobbies and Interests

I enjoy reading and writing, I play (beach) volleyball, and I obviously love to travel. But what most people don't know is that I am an avid *stroomwafel* enthusiast, that I shoot surf pictures of my friends, and that I kill it at Monopoly Deal.
